PROFESSIONAL SUMMARY

Motivated B.E. student in Computer Science and Engineering with Dual Degree in Cyber Security and Data Privacy (CGPA: 7.98) with hands-on internship experience in front-end web development. Possesses strong problem-solving, leadership, and communication skills with a keen interest in Cloud SOC, Security Engineering, and Network Security. Passionate about building secure systems and applying technical knowledge proactively in cybersecurity and cloud environments.

EDUCATION

B.E. – Computer Science & Engineering (Dual Degree: Cyber Security & Data Privacy) 2023 – 2027

Rathinam Technical Campus (Autonomous), Coimbatore

CGPA: 7.98

Higher Secondary Certificate (HSC) | K Kamarajar Matriculation Hr. Sec. School 2021 – 2023

77.8%

INTERNSHIP EXPERIENCE

Front-End Web Development Intern | Pantech Solution PVT LTD

- Completed certified training in front-end web development, gaining practical exposure to industry tools and workflows.
- Worked on web development tasks and collaborated with team members to meet project deliverables.
- Demonstrated adaptability, initiative, and strong communication skills throughout the internship program.

PROJECTS

Raavanan (USB-Airlock) — Pendrive Airlock Windows Kernel Filter Driver · Linux VM · Zero-Trust Security

- Built a Zero-Trust USB Airlock via Windows kernel filter driver and immutable Linux VM sandbox.
- Neutralized zero-interaction attacks (BadUSB, file-system exploits) before host OS execution, enhancing endpoint security.

CyberShield: Automated EDR Honeypot & Incident Response System Python · Canary Token · EDR · Network Isolation

- Developed a Python-based Honey Trap using Canary Token logic to detect unauthorized file access.
- Triggered automated EDR-style network isolation on detection events, supporting proactive incident response and reporting.

SKILLS

Technical Skills: Networking · Cloud Computing · Linux · Java · Front-End Web Development

Soft Skills: Problem Solving · Communication · Leadership · Reasoning · Ethical Standard · Business Development

AREAS OF INTEREST

Cloud SOC · SOC · Security Engineer · Networking Engineer · Network Security
